

Cut E Gloves - 9/L - 1pc | Cut E Gloves

- Double layer of nitrile for added durability and increased protection from sharp objects.
- Excellent grip performance, nitrile material performs better than other materials in wide range of temperatures and oily surfaces.
- Proprietary knitting process for all day comfort and high breathability while working all day.
- SMARTSWIPE[™] palm and fingertips allows the use of touch screen devices without removing gloves.
- European Certified for cut protection: EN ISO 21420 and EN388:2016 (4X44E).
